

Middle School Consideration Continues

The Grayling Middle School Reconstruction/Renovation Advisory Committee continues its weekly meetings—we, the members, have inspected the building to observe daily operations and physical conditions.

The present state of the structure makes it obvious that major changes will have to be made promptly. Safety, heat and energy loss, noise, roof condition, lighting and wiring are some of the conditions being addressed.

Besides the problem of structural adequacy there is the question of educational inadequacy—Industrial arts, 6th grade arts and crafts, room for 5th grade classes, playground areas, music facilities, administrative space are aspects which present real concern.

Dr. Ray Kehoe from the Bureau of School Service of the University of Michigan presented an extensive critique outlining many of the educational problems. A thorough study of population projection figures is continuing.

Open House at Grayling High School

The Grayling High School Staff will hold an Open House for parents, Thursday, March 27th from 6:30 until 9:00. Parents are encouraged to attend to pickup report cards and meet with teachers to discuss the progress of their children.

Group "Brainstorming" Session Mar. 26

If you believe Crawford County has talent, energy and new ideas, then join a dynamic local group interested in making some positive and exciting changes in our community. We are a non-aligned group with a wide range of interests and a primary goal of seeing Crawford County residents work together to meet our own community needs.

We will have an organizational meeting and brainstorming session Wed., March 26th at 7:30 p.m., in the basement of the Courthouse (Commissioner's Room). Please come prepared to share your ideas on how you would like to see your county grow and change. If you cannot attend, but would like further information call 348-5123 and talk to Lori.

Below is a list of needs of the County compiled and prioritized by our group:

1. Viable jobs for head of household.
2. Summer/evening activities for youth.
3. Consumer education for families—economics.
4. Motivate more interest, enthusiasm in youth.
5. Supervised activities for small children.
6. Marital counseling and enrichment courses.
7. More awareness of service available.
8. More outdoor activities in County.
9. Family counseling.
10. Needs of residents instead of tourists.

Two File For Sheriff Post

As of Monday, March 24th, two nominating petitions have been filed in the upcoming fall election for the Crawford County Sheriff's position. According to Deputy Clerk Nancy Krey, Arthur Clough, a Grayling Township resident and former Sheriff here for 12 years, and Douglas Wallman of Grayling have filed nominating petitions. Clough filed as a Republican, Wallman on the Democratic ticket.

Mrs. Krey said all county offices except Probate Judge are up for election this year, including seven county commissioner posts and one Road Commission Board position.

Persons running for office on the Democratic tickets must have a minimum of 23 nominating signatures but no more than 90; Republican nominees are required to have at least eleven but no more than forty-four. Mrs. Krey said the number of signatures required are based on a percentage of the number of ballots cast in the 1976 election for the office of Secretary of State.

The fall election date is Tuesday, November 4, 1980, preceded by a primary election August 5th.

Fashion Show & Luncheon Saturday

St. Mary's Family Center will be the scene this Saturday, March 28th at 12 o'clock noon for the Fifth Annual Spring Fashion Show & Luncheon.

Fashions shown will be from Grayling merchants with door prizes and other surprises on the agenda.

Donations for the Saturday event are \$4.00 and tickets are available at Weaver's Gifts, the Nickelodeon, Crawford County Avalanche and Century Cleaners.

Reye's Pamphlets Available

Lillian Wolf, National Reye's Syndrome Director for this area, announced this week that pamphlets are now available at the local doctors' offices and also at the County Board of Health office. Anyone seeking information on the disease may contact Mrs. Wolf at 348-7332, or Kary Moshier 348-7118, or Kathy Lovely 348-2301.

Jaycees Jelly Week Mar. 23-Apr. 5

March 23-April 5, 1980 has been designated "Jaycee Jelly Week" and the Jaycees of Grayling will be celebrating in an unusual manner. Chuck Huber will head the two-week long drive for Jelly Week to raise funds to help burn victims and families that have lost possessions in fires.

Final Week For Tax Sale

Page 12 & 13 of this week's Avalanche contains the final listing of the Michigan State Treasurer's petition to the Circuit Court in Grayling asking for authority to sell at public sale various parcels of land in Crawford County that are alleged to be delinquent for taxes in 1977 and prior years.

The petition also asks the court for a decree designating the first Tuesday in May at 10 a.m. as the time of the sale of such properties delinquent for 1977 taxes. It also includes a listing and description of such real estate parcels.

YCCIP: Job and Learning Opportunity

By Joe Schrader

Twelve youthful residents of Crawford County are gaining valuable day to day occupational skills combined with classroom general educational development prep study, thanks to a local project sponsored by three agencies concerned about the future of the young people of the county.

The project the group undertook last November involved the complete renovation of a dilapidated and condemned residence in Grayling, now

completed except for a few finishing touches on the exterior. The Youth Conservation Community Project, or YCCIP, was sponsored by the COOR Intermediate School District and the Northeast Michigan Manpower Consortium. Northern National Bank of Grayling loaned COOR the money to finance the undertaking.

With a combined objective of providing employment opportunity along with selected classroom subjects aimed at GED high school diploma com-

pletion, the group has converted an unlivable home into one soon to go on the real estate listing sheet. Milltown Realty of Grayling will be handling the sale of the property located at 707 Lake Street.

The project has been overseen by Mike Gardiner, COOR Counselor and Ron Nagy, who heads up the Intermediate District Vocational Education Dept. and is Project Coordinator. Jerry Ball of Higgins Lake is instructor and on-site project supervisor.

In addition to the vocational advantages the project has provided otherwise unemployed youths ages 16 to 19, the community benefit is a remodeled home ready for occupancy, with some appliances included. Fifteen have been involved in the project, the work crew has leveled out at twelve. Employees include Mike MacKay, Leroy Gingerich, Thomas Beck, Jeff Padgett and Roger Padgett. Rounding out the list of participants are Alice Lynk, Scott VanLent, Mark Miller, Don Doyle, John Bindschattel, Mark Sheldon and Tim Wakeley.

Grayling Township Board Changes

Grayling Township, as a result of the population increase and an increase in the number of qualified and registered electors, now comes under the provisions of Section 358 of the Michigan Election Law.

This section provides that the electors may determine to have a seven (7) man board. This determination may be made at an annual meeting or at a special meeting of the electors called for that purpose.

In keeping with the provisions of the law and in order to permit filing of nominating petitions within the established time periods, a Special Meeting of the Township has been called for April 1, 1980.

Notice of said meeting is published elsewhere in this paper.

Anyone having questions concerning this matter should contact the Grayling Township Office, located in the City Building, or call 348-4361.

ABWA "Woman of the Year"

By Julie Walls
Publicity Chrm.

The American Business Woman's Association of Grayling chose their woman of the year at the March 18th meeting.

We are proud to announce Norma Naour is our new woman of the year. Norma is currently working for Cornell Realty as a real estate salesperson, her duties include meeting the client, showing of property, finding financing if sale is made, and closing the sale. Norma's past career experiences include co-owning and managing a summer resort, Welcome Wagon Hostess, working at Crawford County Library and consultant for a travel agency.

Norma is very friendly and always willing to lend a helping hand. She has been involved in See Norma Naour on P. 8

Feldhauser Centennial Year in Crawford County 1880-1980

Henry Balser Feldhauser was born May 27th, 1852, in Oberlauringen Baier, Germany, the son of William and Barbara Feldhauser. He sailed from Germany in 1870 and came to the U.S., settling in Ann Arbor, Mich. He eventually obtained a job with the Jackson Ann Arbor Railroad. On March 13th., 1876 he was united in marriage to Caroline Kerns in Jackson. Caroline was born in Ann Arbor Dec. 13th., 1856.

In 1872, the Jackson, Lansing, Saginaw Railroad Company had "laid iron" to Grayling, and

named it Crawford Station. In 1873, the name was changed to Grayling, in honor of the local species of trout so abundant in the AuSable river. The area was part of Kalkaska County until 1879, when it was officially named Crawford County. In the late 1870's much of the land north of the AuSable river was opened for homesteading, and Henry Feldhauser had been a Gardener in the old country, so he looked upon this as a great opportunity. On March 24th., 1880, they traveled by train to Grayling. Three families came

together from Jackson, sharing one wagon carried by flat-car, a team of horses by box-car, and two crates of chickens. In the party who made the trip were, Henry and Caroline Feldhauser, their two sons, Henry and Will, Mr. and Mrs. Hugo Schreiber, their two children, Pauline (Edmonds), and Hugo Jr., who in 1900 married Lily Funck of South Branch, said to be the first white person born in Crawford County. The third family was Mr. and Mrs. Peter Aebli and daughter Molly, (Neiderer).

When they arrived in Grayling, they travelled east on the south side of the river as far as what is now known as the Stephan Bridge Road, since there was no wagon trail on the north side of the river. They crossed the river, and travelled east, following a trail which had to be widened by chopping down trees to accommodate the wagon. They arrived at a log cabin with a loft and lean-to. No record of who the owner was. Here they remained for the next several months. As soon as they were settled in, they began clearing

their land, and building their log homes. They all built within a half mile of each other in what was then known as Grove Township, nine and ten miles east of Grayling, bordering the now North Down River Road. They were the first families to settle in this area, and remained life-long friends.

By 1883 other Settlers were moving in, Neiderers, Hoessis, and Strutzenburgs. They farmed during the summer, and supplemented their livelihood by working in the lumber camps during the winter. Henry

Feldhauser played an important part in the development of agriculture in Crawford County. He always took part in agricultural affairs, and developed one of the best farms in the county. He was a hard worker, and a good citizen. Caroline shared in all his undertakings, and together they toiled night and day to make a living from the soil. They were known as one of the counties most progressive Farmers.

In 1921 Henry and Caroline bought a home on Spruce St. in See Feldhauser on Page 2

Power Thievery a Growing Problem

By Joe Schrader

It is understandable that the spiraling cost of gasoline and other oil-related products leads to an increase in pilfering and theft of merchandise draining the pocketbooks of the average consumer. Not honorable or acceptable, of course, but apparently a natural byproduct of the social turns that surface under the pressure of the energy crunch.

Now along comes a new twist becoming more and more prevalent in the area—theft of electrical power.

Larry Olliffe, Member Service Advisor for Top O' Michigan Rural Electric Cooperative, told the Avalanche that rising incidents of power thievery has forced the company to focus its attention on the detection, apprehension and prosecution of persons engaged in this type of crime. "What these people don't realize," Olliffe said last week on his way out of court following successful prosecution of a power bandit, "is that they are in effect stealing from our other 33,000 Top O' Michigan customers."

Olliffe indicated the rising in-

cidence of meter tampering and other pilfering methods is not confined to low income housing areas either. He said owners of "six digit figure" homes in exclusive residential and rural areas were suspected of engaging in the practice. He went on to say that persons found guilty of stealing power over \$50 in value are guilty of a felony under Michigan Law 750.28, although in the recent case the suspect pled guilty to a misdemeanor charge and was fined \$100 plus restitution of \$50 with a suspended jail sentence.

"It's just becoming more and more of a problem for us," Olliffe continued, "despite the fact our company has not raised

its rates in the past few years." He said the company had no alternative but to concentrate on the problem and emphasized those who are caught will be prosecuted accordingly.

In the instant case, Top O' Michigan was tipped off about the pilfering through receipt of an anonymous note. In his letter, the writer directed the company to the location of the residence on White Tail Trail near Grayling where the occupant was welding in addition to using power for conventional purposes. Upon investigation, it was discovered the meter read the same as it had in 1977 when power was dis-

Emphasis on Speed Control Noted

Stepped up enforcement of traffic laws, particularly speed limits, has resulted in an increase in the number of citations issued by county deputies, Sheriff Curt Haas said Monday. A Highway Planning Safety grant in excess of \$40,000 allowed for the recall of two deputies to the force, Haas said, and since January their emphasis has been directed toward enforcement of state and local speed laws. The grant specifically earmarked for that purpose, Haas indicated. Four sheriff's department personnel are currently funded through grant monies, including two through Michigan Public Act 416.

Four breaking & enterings highlight departmental activity last week, Haas noted, and arrest warrants being sought in a felonious assault complaint. Investigation of an assault report involving a weapon is also underway and may result in arrest warrants as well, Haas said. A suicide incident was also investigated by sheriff's

deputies.

An aircraft damage accident occurred at Grayling's McNamara Airport, one snowmobile accident was reported, two property damage accidents were investigated and one case of malicious destruction reported.

Firemen were called to a house fire on McIntyre's Landing Road and the ambulance was called out seven times, one involving a patient transfer to Traverse City. Deputies also answered a failure to pay complaint.

Grayling and Gaylord, top two league finishers this year, dominated the Michigan Huron Shores Conference post-season Most Valuable Player team following balloting held in Gaylord last week.

Junior forwards John Junttila and Bill Roach, along with senior guard Rocky Tobin, were

amongst the fourteen players selected for post-season honors. Viking guards Mike Walsh and Scott Hale and center Mike Chrisman earned honorable mention awards.

The league champ Blue Devils also placed three on the squad—Steve Glasser, Jeff Scott and Joe Andrews, and had three others receive honorable men-

tion recognition.

The league's leading scorer, Larry Peters of St. Ignace and teammate Jeff St. Louis were named to the top squad, and Petoskey placed a pair on the team, Clark Hewitt and Scott Hayes. Rounding out the "dream team" are Larry Jarema, Boyne City; Ken Ot-

Senior Citizen Homemaker Services

HELP, we need volunteer homemakers very badly at this time. Have you been in a doctor's office lately? I was recently, and it was filled to capacity and we have many more Crawford County people that are in need of the Homemaker Services at this time. Therefore, we need more Volunteers to perform these many necessary homemaking duties. We have many home-bound people because of the still prevalent flu

bug. These people, of course, can't even get out of the house to buy their medications and groceries. With the flu patients added to regular home-bound people we need volunteers more than ever. This icy condition has confined many more of our Senior Citizens to their homes. So I again am appealing to you to volunteer any amount of your time that you can spare for this very worthy cause. The volunteer receives 18½ cents mileage and a \$1.50 per hour, which is called a stipend and cannot be considered wages.

Please give me a call at the Senior Citizen Center, 348-8314, if you can be a volunteer, or if you know of someone that would benefit from our services. They need only be 60 years of age or older and have a health problem that prevents them from doing routine chores. There is no charge for this service and no income restrictions. However, we do accept donations for this service if you can afford to pay.

Also, if you know of anyone who would donate some time to our Friendly Visitor and Telephone Reassurance Program, we would appreciate hearing from them. If you know of anyone who would benefit from a Friendly Visitor and Telephone Reassurance caller, please let me know also.

Thank you,
Joyce G. Hankins
Homemaker Co-ordinator
IN MEMORIAM

To our brother Jim who passed away a year ago March 29. He's sadly missed, but not forgotten.

We will never love another as we loved him, life without him is empty & dim. We will never recover from this great loss, in memories that part of our lives have been tossed. Death appeared in the cold dark night drew our brothers last breath before morning light. We were young at the time but the pain still remains, our tears daily fall, can we be blamed? Our brothers place can never be filled but this love still survives and always will.

Roach poured in 317 points this season to pace the Vikes to a second place league finish and 17-5 overall record, averaging 16 points a game to rank amongst the top scorers in the conference. The junior team co-captain and starting forward all season was voted Most Valuable Player by his teammates when the campaign ended. He was also co-leader in rebounds, average twelve per game and hit 51% of his floor shots and 72% from the free throw line.

Junior John Junttila was paired with Roach in the forward slot and averaged 11 points a game while picking off a dozen rebounds a game average to co-share the lead with Roach. A defensive standout all year, "J.J." teamed with Roach to captain the Vikes through the season.

Average 10 points a contest this season, Rocky Tobin is termed "a floor leader" by the Viking coaches, a trait noticed by the judges when selecting the conference squad. Rocky poured in 26 points in a losing cause against Tawas in the District Tourney, highest single game output by a Vike cager this season. Against Gaylord and Petoskey, he was also an offensive leader, hitting for 20 in both contests. Tobin hit 42% from the floor and 60% of his charity attempts.

When the final buzzer sounded, the dust settled and the ballots were cast, Senior guard Mike Walsh was picked by the Viking squad as "the player who always gave 110%". A conference honorable mention pick, Walsh excelled on defense with his aggressive style of play and averaged six points a game through the grinding 20-game schedule. Teamed with Scott Hale at the guard position, the pair often electrified the crowds with their aggressive play.

Senior starting center Mike Chrisman was called upon all year long to "go up against the big guy and top scorer on opposing teams." Chris hit 42% from the floor and ripped eleven rebounds off the boards this year, 212 in all, and the 6'2" pivotman found himself looking up at opposing centers all year long. Despite that, his aggressive play and some key free throws kept the Vikes alive in any number of close contests throughout the year.

Junior Scott Hale average 9 points a game this year with 146 points on 58 field goals and 26 free throws. Hale often came off the bench to act as a sparkplug for the Vikes, "getting the team's adrenalin flowing." A team leader in assists, Hale forced a lot of turnovers and was second only to Roach amongst regular players in free throws with a 63% average.

Grayling, and retired after earning a much needed rest. In March, 1926, they celebrated their 50th. Wedding Anniversary.

On April 17th, 1932, Henry Balser Feldhauser died of a stroke at the age of 80. Many old neighbors and a large congregation of Grayling friends were in attendance at the last sad rites for this fine old citizen. Interment was in Grayling cemetery.

Caroline, who was more familiarly known as "Grandma Feldhauser", was of a very happy disposition, and enjoyed all the things that young folks did, the radio, dancing, and the movies, and always seemed young. She was an esteemed citizen and active in civil life.

Caroline Louise Feldhauser, passed away at her home, May 6th, 1941. The sermon took the theme, "The value of service". Interment was in Grayling cemetery beside her husband Henry, and three sons.

Henry and Caroline had eleven sons, and one daughter. Henry, William, twins Edward and Rudolph, (who died at 10 days), twins Robert and Rudolph, Charles, Arthur, Herbert, Paul, Emma (Knibbs), and Clarence. Archie, and Emma Knibbs are alive and well, living at Ausagra Acres. There are 26 grandchildren, 53 members in the fourth generation, approximately 65 members in the 5th generation, and at this writing we have one member of the 6th, generation, Eddie Baynham Jr., son of Eddie and Lori Baynham of Maple Forest, Great, Great, Great Grandson of Henry and Caroline Feldhauser.

We are all proud to be a part of this wonderful family, and will celebrate our "One hundred years in Crawford County", at our annual family reunion on July 27th, 1980.

From Our Corner ...

How about those apples...we were told by a Rotarian that his group was not picking on the ol' fella this year at their annual Minstrel Show, so hearing that, we decided to take in the Friday evening performance...we felt we should, seeing how the Club changed the dates for the show when they found out we were going to be gone on vacation...

Once again, for amateurs, the Minstrel Show was a huge success...how some of our up standing citizens can go on stage and perform as they do is above our comprehension...it's laughs all through the evening...we enjoyed ourselves right up to the last part by the endmen...

We hope the club made a whole bunch of money...so they can pay us off when we sue for defamation of character...Thelma may sue for mental anguish as she was a part of the skit...

A week ago Sunday we had the distinct pleasure of driving across the M-72 railroad tracks on our return from T.C. and our first thought was spring...it can't come too fast now so that maybe this summer the State Highway Commission will keep their word and finally install a permanent crossing instead of using all the asphalt they have been throwing down the sewer...we were going about 5 miles an hour, and that was too fast...

We hear a lot of gripes about the chuck holes in our city streets, and that again has to wait for the snow to be all gone...throwing black top into holes with water in them is just a waste of time and money...

The moral of the above two statements...think spring!

More honors have been bestowed on our Viking athletes for their efforts during the past few months...

We wish to add our congratulations and the tip of the hat from our corner to the following...

First off, to Lisa Radebaugh for being named to the most valuable squad of the Michigan-Huron Shores Volleyball league, and to Shelly McKinney being named to the honorable mention list.

The Vikings basketball team following one of their best cage seasons in a number of years placed six players for mention on the Michigan-Huron Shores basketball squad.

Senior guard Rocky Tobin, Junior forwards, John Junttila and Bill Roach were selected to the 14 member most valuable squad, while guards Mike Walsh and Scott Hale, and center Mike Chrisman earned honorable mention...

For what it's worth...this is the type of news we like to publish in your favorite newspaper...

An idle thought...we haven't seen John "Bay City Times" Morrill since before we left for Nevada...the last time we met he was going to write two guest editorials for while we were gone...evidently he got too busy peddling his papers, and forgot how he was going to help the ol' fella out...one can rely on him just about as much as you can the Leprechaun...

Talk about inflation...

We were reading another paper the other day and ran across this little gem, so we lifted it, and hope (UPI) looks the other way...anyhow, for those who might have missed it, this is the way it is these days...

'Ain't worth it'

GRAND RAPIDS (UPI)—A man upset by a \$15 hike in marriage license prices says \$20 to get married just isn't worth it.

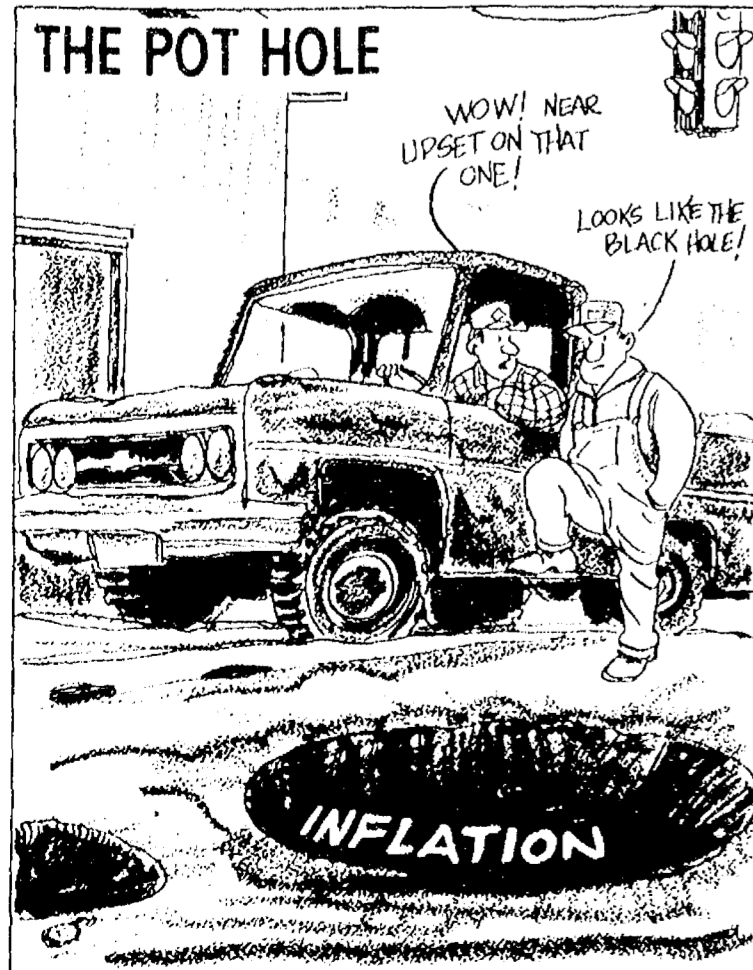

"How much is this going to cost me?" the unidentified prospective groom asked at the Kent County clerk's office Thursday.

When he was told the fee this week jumped to \$20, the man was not pleased.

"I ain't going to marry any woman for \$20," he retorted before leaving the building with his bride to be.

The marriage license fee was raised from \$5 earlier in the week with the additional revenue going to counseling programs to save floundering marriages.

Have a nice weekend...think spring, it's that time again, and the way it has been, we need it in a hurry...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO.

The Grayling High Vikings came within an "eyelash" of bringing home from Lansing the State High School Class C Championship. Although defeated in the semi-final 65 to 63 at Lansing's new and huge Civic Center on Friday night, it took the State Champions, Lakeview to do it in an overtime.

Grayling advanced to the semi-finals with a double start overtime victory last Wednesday night over the defending Class C State Champions, Crystal Falls. So the Vikings not able to claim any championships or trophy, do have the satisfaction of knowing that they defeated last year's champs and forced this year's top team into overtime play.

Mr. and Mrs. Larry McNamara and children went to Bay City March 17 to watch the St. Patrick's Day parade. They also attended the basketball game in Lansing Friday night.

Mr. and Mrs. Fred Bear left Thursday for Harrisburg, Pa., where they attended an eastern sporting goods show. They also visited Mr. Bear's father, Harry L. Bear, and sister, Miss Elizabeth at Carlisle, Pa. They planned to go on to Washington, D.C., to attend the international photographers show, and from there to New York City.

Mr. and Mrs. Jerry Walker (Dorothy Millikin) are the happy parents of a son, Steven Jerry, born March 22nd. He weighed 5 lbs. on arrival. Mr. and Mrs. Jack Millikin and Mr. and Mrs. William Walker of Houston, Tex., are Steve's grandparents.

Mr. and Mrs. Marlin Weaver of Frederick had a daughter born on March 24th.

Mr. and Mrs. Whitey Madsen and Mr. and Mrs. Pat Harwood of Lovells left Friday for the tournament games in Lansing.

Mr. and Mrs. William Wyss, daughter Debbie and son David, are expected home from Key Largo, Florida, April 1st, after spending the winter months in the sunshine.

Mrs. Ward Ellison and children spent five days with her mother, Mrs. Mae Schultheiss, in St. Louis, returning home Sunday, March 17th. Mr. Ellison drove down for Saturday and Sunday.

Mr. and Mrs. Donald Wood spent the weekend in Detroit on business. Mr. Wood attended the Detroit Commandery No. 1, Knights Templars while there.

Mr. and Mrs. Harry Hoerl returned Friday night after a vacation spent at Bonita Springs, Fla. They also went to Fairhope and Mobile, Ala., to visit friends, before coming home.

Eric Post and the Gulf oil dealers of this area attended a sales meeting in Frankenmuth Wednesday night.

Mel Luter of Freeland and Bill Kellogg were overnight guests Friday with the Col. Ronald McDonalds at Okemos, returning Saturday with the Robert Strongs.

Grayling Lumberjacks and Roscommon Ramblers have each won two games this season and next Tuesday night, April 3, will play off the tie on Grayling's court. There is a lot of friendly rivalry existing between the two teams and this will settle the question for at least this season as to who of the two teams are the champions.

Friends and neighbors of Mrs. Harold Hatfield surprised her with a stork shower Tuesday afternoon at the home of Mrs. Tracy Nelson. Mrs. Hatfield received many lovely gifts. A potluck lunch was served late in the afternoon.

Clyde Peterson and Alex Atkinson attended a meeting for Chevrolet salesmen at Traverse City Wednesday evening.

If you see a car coming down the street and it looks as tho it were running backwards that's Fred Welsh's new DeSoto. It looks like a knockout. It was purchased from Corwin Auto Sales and delivered last Saturday.

Mrs. I. D. Herbison was hostess to a few friends at her home Tuesday evening. Cards and contests were enjoyed, prizes being won by Mrs. Jess Sales, Mrs. T.P. Peterson and Mrs. Herluf Sorenson. A lovely lunch was served at a table attractive with Easter decorations.

Miss Dorothy Roberts was hostess to her sewing club Wednesday evening at her home. The members of the club include Misses Elna Mae Sorenson, Lois and Evelyn Sorenson, Wilma Burrows, Yvonne LaGrow, Muriel DeLaMater and Martha Sorenson. Guest of the club that evening was Miss Dagmar Juhl, who is home on her spring vacation from Jackson Business College.

Mr. and Mrs. Holger C. Schmidt spent the weekend in Detroit accompanying their daughter Miss Marie there, she having spent some time at home visiting.

Mr. and Mrs. Lawrence Trudeau and son Jack have moved from their quarters over the Frank Sales Agency building to live with Mrs. Trudeau's parents, Mr. and Mrs. Lon Collen.

Marius Hanson and Stanley Stephan, both students at Ferris Institute, arrived home Wednesday to spend their Easter vacation with their respective parents, Mrs. Hansine Hanson and the George Stephans.

Neil McDaniels is very sick with tonsillitis and has been under the doctor's daily care for over a week.

Mrs. Frank Ayers was a welcome visitor in the village last week, but too short a time to even meet half of her friends.

Otto McIntyre came down from the camp near Wolverine where he had been for the winter, last week, the first time since the snow came.

Ed Sorenson was in from Michelson Tuesday. He reports the new lath mill ready for operations, and four or five houses in process of erection, and expect about twenty more during the season.

A letter from L.T. Wright and his wife, from Erie, Pa., says they are enjoying a delightful visit, and will remain there for some time, but want the Avalanche to slide that way.

Spring has come. The plains are almost bare, a few days more and we expect to see the farmers tickling the soil with the plow.

A newspaper may say a thousand nice things about a man and his business, how he is decorating his windows, getting new goods, expanding his business, etc., and the editor will never hear a word of thanks. But let the paper speak, even unintentionally, in a manner not complimentary, and the paper catches what Sherman said was war—St. Ignace Republican News.

The Bible Speaks

From Calvary Baptist Church

A New Dangerous Religion in America

The U.S. Supreme Court has declared "Humanism" to be a religion. Humanists refer to "humanism" as a "faith" or a "religion". After taking control of our educational system they have training a new generation to infiltrate our churches. All of us have been brainwashed to some extent by humanism. The following are some of the basic beliefs of Humanism:

1. Humanism denies the deity of God, the inspiration of the Bible and the divinity of Jesus Christ.

2. Humanism denies the existence of the soul, life after death, salvation and heaven, damnation and hell.

3. Humanism denies the biblical account of creation.

4. Humanism believes that there are no absolutes, no right, no wrong—that moral values are self-determined and situational. Do your own thing "as long as it does not harm anyone else." (Situational Ethics).

5. Humanism believes in removal of distinctive roles of male and female.

6. Humanism believes in sexual freedom between consenting individuals, regardless of age, including pre-marital sex, homosexuality, lesbianism, and incest.

7. Humanism believes in equal distribution of America's wealth to reduce poverty and bring about equality.

8. Humanism believes in control of the environment, control of energy and its limitation.

9. Humanism believes in removal of American patriotism and the free enterprise system, disarmament and the creation of a one-world socialistic government.

If you question some of the above things being taught by clergy may we quote Rev. Canaan Banana, a Methodist minister who wrote about a new society where, "all forms of class, social and economic contradictions are laid to rest and a clearly defined humanistic ideology is an integral part of the revolutionary process. As Christians we ought to preoccupy ourselves with a search for a viable community and this we can do by joining hands with all progressive forces of change in the world. Ours is the task of finding areas of common interest with those struggling to bring about new social orders. We can only find our true identity as we live our lives within the context of communal life."

My friend, only a fool would be ignorant of the fact that the United States of America is coming apart at the seams, economically, morally, educationally and spiritually. We need to stop playing religion. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (2 Chronicles 7:14). (adv.)

Grayling Middle School 3rd Annual Book Fair

The Grayling Middle School will sponsor a student book fair from March 25 through March 27. The book fair will be opened during the regular school hours. All students will be able to browse and order books, they will be brought to the library through their English classes. The fair will also be open in the gym during parent-teacher conferences on Thursday March 27th. All books must be paid for when ordered.

The book fair committee encourages parents and visitors to visit the fair during school hours if they so desire.

The book fair display will include books from many publishers in all popular price ranges. They will include classics, fiction, biographies, science, nature, crafts, mystery and reference books.

All profits will be used to increase our audio-visual materials, records, filmstrips and cassettes.

The book fair is being held under the supervision of our librarian, Mrs. Pat Failing and student library aides.

Easter Seal Benefit Dinner

A super great ham dinner was sponsored by the local Easter Seal Committee at the Red Barn on March 17th. Joanne and Jim Shively graciously hosted the dinner.

Norm Schmooch and Marty VanDeVen assisted Jim in the kitchen. Carol Atkinson worked all evening in every capacity from hosting, seating people to auctioning cakes. Danny and Kenny Vaughn were bus boys and kept the tables cleared.

The following girls were salad bar girls, waitresses, or coffee servers: Gloria Morency, Carol Ellis, Caroline Golnick, Mary Kesteloot, Connie Perna, Kim Perna, DeDe Evon, Kim Curtis, Debbie Blumberg, LeeAnn Lovell, Marge Harwood, Dolly Baughn, Sandy Bielke, Ruth Cruz, Mary Bonkowski, Kay VanDeWater, Mo McNamara and Marie Reeves.

They all did a fantastic job.

The Kitchen Band under the direction of Connie Vaughn and accompanied by June Feldhauser entertained until 7:00 P.M.

The High School Jazz Band under the direction of Bob Harris entertained until 9:00 p.m. and then Cal Walls played his 50 and 60 records until midnight for everyone to dance.

The following donated nice big hams: Black and White Foodland, Glen's Market, Gordon Foods, Dowker Packing, Thompson Cain and Marie Reeves.

The following people donated tickets to cover the Jazz Band's meal: Kent and Davis, Krumrei's, Jim Guedry, Kate Eaton, Dick Hall, Lon Qualls and Cornell Real Estate.

The salads and desserts were all donated by local ladies from ABWA, St. Mary's, Senior Citizens, Lovells, Frederic and other local ladies who just graciously sent something.

J & R Florist sent corsages for each of the Kitchen Band members and they enjoyed them.

J & R Florist and Flowers by Josie each sent a beautiful floral arrangement which were raffled netted us \$75.75 towards the evenings total.

We realized \$1,300.00 clear profit on this dinner. Thanks to each of you beautiful people who so generously donated your food, money and your time in working. This was truly a community effort and we appreciate you more than you will ever know.

Eloise Schmidt sold tickets on the floral arrangements. Roy Gunderson and Dick Daniels were hosts. Katherine Daniels' sold dinner tickets.

Angie Kirkum and Julius Prause were champion ticket sellers, each selling \$125.00 worth.

The monies taken in will be used right away to purchase more loan closet equipment such as wheelchairs, walkers, etc. to loan to you, any resident of Crawford County free of charge whenever the need arises.

Again, thank you all so very much. We hope we didn't omit anyone.

Lora Gould

Easter Seal Chairman

Volunteers Are Special

JoAnne Methner has been a volunteer in the Grayling Elementary Reading Room for the past 5 years. She is shown here with student, Karmen Hagerman. Karmen is reading to Mrs. Methner out of her SPRINT Scholastic Reader. After completing this story, Karmen's assignment will be to write four questions (with answers) to cover the most important points in the story she has just read. Mrs. Methner volunteers because, "I feel I can help the community and school by being involved in the program. I feel my work has helped the children to accomplish a great deal." Mrs. Methner lives on AuSable Trail with her husband, Don, and their four children. Besides volunteering Mrs. Methner does the book-keeping for her husband's trucking business, enjoys sports, does ceramics, enjoys sewing, and says she is the "family chauffeur". Even though she is a busy person, Mrs. Methner still finds time to devote to volunteering as do many other "special" people.

For further information about the Volunteer Aide Program call Cheryl LaDuke at 348-7641 ext. 52.

A Book Review

By Fay Bovee

"Tomorrow is school and I'm sick to the heart thinking about it" wrote one of Don Sawyer's students who had dropped in the night before school started. Thus came the title of a book he wrote about his and Jan's two years of teaching in Newfoundland.

From several papers, comes an insight into the background of the book. Barbara Underwood writes in the Birmingham Eccentric, "Tomorrow is School and I am Sick to the Heart Thinking about it" is a thought-provoking account of education in the village of Hoberly Cove. Sawyer has changed the name of the village and its residents, but the incidents and impressions are as he and his wife experienced them in a town 60 miles northeast of Gander." At the first meeting with the superintendent of schools, they were told, "The community you're going to is not like any other place you've ever been. They were to remember his words more than once and to agree with them almost daily."

"Sawyer's first impression of the high school was of a large, purple T-shaped structure squatted in a bog like a huge toad."

In London, Ont. Free Press, Lynda Nykum, tells of "the school Sawyer teaches at is fairly typical of the province's facilities. Its library is 'only about 12 feet square.' Its books are ancient. The single volume the students might have had some interest in is called The Facts of Life and it's written entirely in German!"

"Sawyer branches out to talk of virtually every aspect of Newfoundland life, the political, the economic, the religious. He also mourns a passing way of life. Newfoundlanders, born and raised to be fishermen and boat builders, are ill-prepared to face a future that's made than untenable."

From Thomson News Service, Bill McNeill writes that "the Sawyers' first reaction to what looked to them like a shack town hanging on to the cliffs was to turn their car around and head for home as fast as they could."

"But they didn't. They stayed for two years and found a warm and friendly people who were anxious to please and to take them to their hearts."

From the Toronto, Ont., Globe and Mail, William French says, "Their leave-taking from Hoberly Cove, as Sawyer calls the outpost in the book, was sorrowful. The students had grown genuinely fond of them, and respected what they were trying to do."

"All the good teachers leave," one of the students told them sadly. "Ever since I was in first grade, every time we'd get a good teacher they'd be gone the next year."

"In the year after Sawyer's departure, everything was back to normal in the high school. Ninety per cent of Don's former Grade 9 students either dropped out or failed Grade 10."

Jan Sawyer is the daughter of Dr. and Mrs. R.E. Henig. She and Don are now living in British Columbia where he helps train Indian teachers.

The book is available locally at the Crawford County Library.

are generated through CETA, Northeast Michigan Manpower Consortium. Workers were hired from a pool of CETA-eligible applicants and work a 35 hour week, two days of which are spent in the classroom. When six are working on the house remodeling the balance of the workforce is in school and vice versa. In the class room they are taught math and reading subjects along with driver education and career exploration skills. Steve Westjohn is classroom instructor.

On the job, the group has involved itself with all phases of construction-framing, plumbing, heating, electrical, exterior and interior finishing, floor covering, roofing and some minor landscaping. Gardiner said they were additionally responsible for seeking out the best prices & purchasing the materials required, all of which were bought from businesses in the area. Jerry Ball, the project supervisor, provides all the direct supervision the group has needed throughout the job.

Gardiner added the YCCIP undertaking is a pilot endeavor of sorts, a study program that may spread to other communities in the northern Michigan area, based on a judgment of the success it meets here.

The COOR Board of Education and the employees are hopeful the home can be sold soon so they can start another project, they already have a building in mind. At the same time, additional consideration is being given to working on other community projects as well. Funding for the current program is good until September 30th of this year.

Reye's Syndrome Study Revealed

Last winter, the University of Michigan School of Public Health conducted a study immediately after the influenza outbreak in the area. In the course of that outbreak, a number of cases of Reye's syndrome occurred, with one fatality. Blood specimens were collected in March and then again in April from a large segment of the school children attending the Crawford-AuSable School.

Obituaries

Tuesday Services For Ray J. Duby, 76

Ray J. Duby, age 76, died Friday, March 21, 1980 at his Lovells Township home. Funeral services were held Tuesday, March 25, 1980 at 11:00 a.m. at Sorenson Funeral Home with Rev. Robert Haskel officiating. A Masonic Memorial Service was also held. The body was cremated.

Mr. Duby was born September 1, 1903 in Merrill, Michigan. He had been a resident of Lovells for 62 years and had been a sample packer for Dow Chemical Company.

Mr. Duby was a life member of Masonic Lodge No. 356.

He is survived by his wife, Marie; two sons, Ray, Jr. and Lawrence, both of Lovells; five daughters, Julia Case and Shirlee Lambert both of Grayling, Lois Rose, Dorothy Sova and Carole Weber, all of Midland; a brother, William H. of Florida; 25 grandchildren and one great grandchild.

Cub Scout Events

Two mainliners are on tap for boy scout packs during April beginning Tuesday, April 15th with the annual Pinewood Derby. The public is welcome to this annual event, scheduled for 6:30 p.m. April 15th in the high school cafeteria.

Then believe it or not, one final basketball game for area sports fans is coming up Wednesday, April 30th when the cub scout fathers square off against the Crawford County Deputy Sheriff's Association team.

This fun event will start at 7:30 p.m. at the high school gym. Tickets are priced at \$1.00 apiece for adults, children 10 and under free. Two \$50 gift certificates will be awarded that night, must be present to win. Other surprise gift certificates are also being planned.

Jack "Stretch" Hull is coaching the cub scout team, and has scheduled practices for every Wednesday night at 7:00 p.m. from here on out until game time at the high school gym.

Fathers who miss the "cut" and fail to make the team will form a cheerleading contingent for the squad, under the direction of "captain" Karl Golnick.

Cub Scouts Salute 50th Anniversary

In the bottom photo, Earl Whaley presents Karen Golnick, Den Leader Coach and member of the district/local training staff, a corsage while Cubmaster Dan Baker (right), looks on.

Two hundred cub scouts, parents and guests attended the group's annual Blue-Gold Banquet held February 19th at the American Legion Hall.

Special event for the annual fete, which began with a spaghetti dinner and all the trimmings, was the celebration of the 50th Anniversary of Cub Scouting.

Certificates of Appreciation were given the following Den Leaders: Jeannie Harwood, Joy Wright, Cora Flowers, Ruby Peterson, Virginia Bancroft and Pam Baker. Recognition was also given the following assistants: Vera Wylie, Jill Grudzien, Sandy Cory, Nancy Nunn, Julie Houlton and Liz Millikin. Webelo Leader Bill Thompson and assistants Dick Ohsowski and Wayne Casler were also similarly honored.

Certificates of Appreciation were also given to Roy VanLuchene, Stephan Wood Products; David Stephan, AJD

License Plate Deadline Near

In a move to ease the rush to purchase 1980 license plate tabs by the March 31st deadline, Secretary of State Richard H. Austin ordered all branch offices to remain open between 8:30 a.m. and 1:00 p.m., Saturday, March 29th.

According to Austin, sales of 1980 plate tabs, not totaling just over four million, are lagging nearly half a million behind last year with an estimated two million tabs yet to be sold.

All vehicle owners must purchase plate tabs by March 31st if they intend to operate their vehicles on public highways, or face a possible fine, Austin said.

Primary system falls far short

RICHARD MILLIMAN

DOES ANYONE else feel the least bit uneasy about entrusting the choice of candidates for President of the United States to our present primary-plus-caucus system?

It's still four or five months until nominating conventions will meet, and about eight months until election time itself.

Candidates have been running for president for years, it seems. And what have we really learned of the essential qualifications of the various candidates to serve as President? Precious little, I would argue.

THEN THERE'S the cascade of dollars already eaten up by the process.

John Connally, of all people, says he's almost broke; he spent something like \$10 or \$12 million and dropped out of the race. Ronald Reagan has to cut back his efforts because of lack of money; he's spent in the same neighborhood. Howard Baker retires from the race; he's half-a-million or more in debt.

I'd hate to add up the total spent by all candidates so far; it must be in the hundreds of millions. Keep in mind, too, that much of this is taxpayers' money, shovelled out under the federal campaign financing law. All the presidential candidates who could qualify—with the lone exception of Mr. Connally—took advantage of the campaign financing act. What a pity.

Has the availability of federal dollars to finance presidential campaigns cleaned up politics? Has it made it possible for the voters to make wiser, more reasoned decisions? Not perceptibly, in either case.

THE PRIMARY-PLUS-CAUCUS system now in use needs overhaul. It's inconceivable that a relative handful of voters in Iowa, New Hampshire, Massachusetts, South Carolina and Florida can decide who will be the candidates of the two major parties for president, or more precisely, who will not be the candidates.

But that's the way it seems to be working out.

What about the opinions of voters in the other 44 states? Don't they count? Apparently not, under the present system.

Besides shutting out the majority of citizens from the selection process, and

draining dollars from the public treasury and other places into campaign efforts, the primary-plus-caucus system has an even more significant drawback, in my view.

THE WAY WE PLAY this nominating game now helps to destroy the credibility and eventual effectiveness of whoever finally becomes president.

As others have observed, we demand that those who aspire to lead our nation reduce themselves and their attractions to the lowest possible denominator, requiring them to shake as many hands as possible, eat as many pizzas and tacos as possible, always jog on schedule, kiss babies and old folks, attend fairs and club meetings, smile, offend as few voters as possible by taking popular stands or dodging issues altogether.

We run them ragged over the primary course—and then shake our heads in wonder that our public officials do not command the respect and the confidence of the average voter.

Given the obstacle course we require them to negotiate, it's a wonder anybody can finally win the general election. Most voters by that time would prefer to mark their X in a box entitled: "None of the above."

THE MEDIA SHARE the blame for the foul-up of the nominating system and the despoiling of candidates before their time; in some cases, I'd agree that the media tend to make the event, rather than simply report it. Candidates, learning the needs of the media, bend their activities to fit, thus further skewering the selection process.

However, the media in most cases reflect the public, and seek to fill the informational demands of the public. If the public were not interested, the media would not report.

What's the answer? I don't have one. Certainly it's not a return to the smoke-filled room—although it might be preferable to state-by-state beauty contests, which are settled on quirks and surface impressions.

Is anyone else uneasy about what we're doing to our elective process? There must be a better way, somehow.

James Paris Promoted By Northern National

Ted Kortes, President of Northern National Bank in Grayling announced the election of Randall R. Chapin to the Board of Directors at the Bank's annual stockholders meeting held March 12th at the Holiday Inn in Grayling. Chapin is Vice President and Cashier of the Bank and has been with the Bank during its formation. Randy and his wife Joan, children Shari, Nadine and Alan reside in Grayling.

Kortes, Chapin, Nelson A. Miles, Ron Fraser, Paul Lerg, George Olsen, Charles F. Pick, Jerry Walker, Rose Duley, Jim Vanderlaan, Fitch Williams and Alan Grunewald were elected to the Board of Directors.

James Paris was appointed an assistant cashier of the Bank at the March Board of Directors meeting. Paris is in charge of the Bank's operations department and has been with the Bank since July 23, 1979. Paris is a May 1979 graduate of Ferris State College and he and his wife Tammy reside in Grayling. Kortes also reported that the Bank's total assets at the end of the first 6 months of operations were \$6.5 million, with \$5.3 million in deposits. The Bank has also entered into a Trust Services arrangement with Union Bank and Trust Company of Grand Rapids to provide trust services to their customers. The remodeling of the Bank's building is nearing completion and they expect to move in around the 1st of April. The Bank purchased the building formerly occupied by the Michigan Consolidated Gas Company and is located at 2500 I-75 Business Loop in Grayling, Michigan.

District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court last week:

Patrick Allen Gidner, 21, Grayling, pled guilty to a charge of assault and battery and was sentenced to 60 days in jail with credit given for time already served. On a second charge of malicious destruction of property under \$100, he pled guilty and was sentenced to 30 days in jail with credit given for time already served.

Larry Gene Bisel, Mason, pled guilty to a charge of simple larceny. He was sentenced to 30 days in jail with credit given for time already served, was ordered to pay \$100 attorney fees and placed on probation for one year.

William Dennis Shaw, Grayling, was found guilty in a jury trial on two charges, the first, violation of the nuisance ordinance and violation of junk ordinance. He was fined \$45 or five days in jail on each charge.

Dale Mervin Whiting, 49, Grayling, pled guilty to a charge of fraudulent use of electric power and was fined \$105 or 10 days in jail and ordered to pay restitution of \$50. He also pled guilty to a second charge of violation of the nuisance ordinance and was fined \$45 or five days in jail.

A charge of concealing stolen property valued at over \$100 was dismissed against Robert Harold Eddins, 38, Walled Lake, on a motion by the prosecutor's office-insufficient evidence.

Letter to the Editor:

In regard to the Crawford AuSable School Board appointing a Special Committee called the "Grayling Middle School Advisory Committee," which, according to recent newspaper reports, consists of 12 members and is suppose to advise and recommend to the School Board based on their findings concerning Reconstruction and Renovation. In agreeing as probably most persons do, that something should be done with the middle school and that a committee is needed, we wonder why would the School Board, if it were looking for honest answers, advice, recommendations, costs, benefits, etc., appoint 6 members which are already part of the system? These 6, plus the other 2 "devoted disciples" on this committee, leaves very little doubt in anyone's imagination as to the committee's future recommendation and outcome.

We can understand the committee talking, listening and working with the custodians, teachers, students, principal, etc., but in our humble opinion, (which has been formed by listening to the many comments heard on the street), some EXPERTS on Reconstruction and Renovation should be on this committee. No, not someone with a brief case from Lansing, but why not a LOCAL electrician, plumber, heating expert, mason, structural engineer, etc., etc. The other, hand-picked members of this committee should by all means be credited for their willingness to serve expending their time and efforts. But so far as the self appointed, (or anointed), members on this committee goes, these persons serve no useful purpose by their presence. Especially since the others on this committee do not need anyone to channel or dominate the meetings. We also feel the School Board hasn't gained any further trust, esteem or confidence by assuming the voters naive enough to be led down the garden path by a stacked committee.

EDITOR'S MAILBOX

To the People of the Grayling Area:

This letter is in response to an article appearing in the Crawford County Avalanche on Feb. 14, 1980 entitled "Aid Needed to Finance Groomer at Hanson Hills." The article was an appeal to the citizens of this area to help finance a new groomer (\$16,500) by the Grayling Recreational Authority Fund Drive Coordinator Jerry Morford. In the article Mr. Morford said "purchase of the machine without pre-solicitation of the funds was absolutely necessary to operate the ski program because the old machine was completely inoperative."

On Jan. 30, 1980, I made a run of 32 miles with this "inoperative old machine" from Frederic to Mancelona, grooming the White Pine Stampede trail.

For the last four seasons I organized the White Pine Stampede, an event beneficial to the entire community by bringing people to the area that may not have come otherwise. This year, the DNR, because of financial cuts, withdrew its trail grooming help. I approached Grayling Recreational Authority (GRA) about the groomer rental. A verbal agreement was reached with Hanson Hills Manager, Dave Wyss. I would have the new groomer for two runs; first on Jan. 30, and second on Feb. 2 (early morning just before the race).

Just prior to the race, I was approached by a GRA board member, Cathy Burkley and asked to appear before the Board on Jan. 28. At that meeting agreement to use the new groomer was revoked, citing the need to groom the down-hill area of Hanson Hills. When I told the Board that in the absence of the grooming facility and at that late hour (five days before the race) I would have to cancel the race, I was given the choice of the old groomer (the "inoperative one"). I had to accept the offer at \$6 a mile (total of \$192). Dave Wyss, Dave Pettyjohn and myself made the 32 mile run from Frederic to Mancelona with the old machine on Jan. 30.

At Mancelona Dave Wyss and Dave Pettyjohn decided that the second run scheduled for Feb. 2 was too risky with the old groomer. Under the circumstances it was a wise decision.

We could have made it with the new groomer as originally planned. The second and the final grooming was essential to the race. As it happened, in 3 days, the course was overrun by snowmobiles, the track was obliterated and some markings were removed. The second run would have corrected all this. During the race, several competitors lost their way, spilling the White Pine Stampede of 1980 and GRA did not earn \$192, the rental fee for the second run.

The Hanson Hills Ski Area (former Bear Mtn.) started as a successful recreation center before the Second World War with toboggan run, ski jumps, cross country ski trails and a down hill ski park. In the fifties the toboggan run was discontinued because of high risk and operational costs, ski jumps were dismantled and the cross country trails forgotten. The only remaining attraction-down hill ski lifts-suffered from stiff competition from the nearby Schuss Mtn., Hilton-Shanty Creek, Skyline and Boyne Mtn. The financial woes of the Bear Mtn. and the Polyhedron made the situation worse.

In 1974 I was approached by a member of the Grayling Recreational Authority, Joe Stripe, and asked to organize and to run a cross country ski program, including instructions, ski rentals and trail development. I found the abandoned cross country ski trails, recut them, brushed them, restored the marking posts, made new signs and revised the original map. In the Crawford County Avalanche letter dated Feb. 5, 1976 and entitled "To the Cross Country Ski Fans" I thanked all the people for help and also gave a financial statement of my volunteer activities. Grayling businesses and organizations as well as private people were included in this letter. I personally contributed \$440 (proceeds from rental of my own skis) and 200 labor hours. I have an interest in this area.

In my opinion Hanson Hills is potentially the best cross-country ski area in Michigan. I know this through my experience in cross country skiing (my additional credential being my selection as an official for the Lake Placid Winter Olympics). As an example of a success, nearby Hartwick Pines could be quoted. There, the State, with little effort gets 5000 plus skiers a season, charging them a fee. Every skier knows that Hanson Hills can offer much better and challenging skiing, and if the trails are maintained a fee could be charged solving the area's financial problems.

In all honesty, the only way the new groomer could be paid for is to rent it to the events like the White Pine Stampede, other cross country ski areas and even snowmobile trails.

As far as grooming the Hanson Hills the old groomer is operative, contrary to Mr. Morford's statement and has been operative for 15 years. If it was stuck on Hanson Hills the work shop is only a few hundred feet away, as it always was. The new groomer will be necessary eventually when the old one becomes completely inoperative and if the cross country trails (32 miles of them) are fully developed.

For years, the GRA Board, past and present, has been emphasizing the bankrupt downhill skiing and closing its eyes to the new trends. There are several examples of successful cross country ski areas-Ken-Mar on the Hill, Ranch Rudolph, and the greatest of them all: Telmark Lodge in Cable, Wis.

It could be done, we have the best terrain in the state and the best location (everybody going North is going through Grayling); but we have to have people who think progressively.

Thanks to Walter Nowak we have the Ad Hoc Committee to advise GRA Board. I hope they will listen! We need their help, as they apparently need ours. After all, this authority is an agent of the people of the Grayling area.

I would gladly donate not only money, but time and effort, as I did before, and encourage others to do the same, if I see the management of Hanson Hills recognizing the present and providing for the future.

Dear Editor:

I have only lived in Grayling for 8 years but have been made to feel at home here by so many people. It is a wonderful place to live. I have never written to you before but feel there is something I would like to say.

I have been a patient at Mercy Hospital several times for short stays but this year I have just completed a 68 day stay in that facility. I have heard so many complaints about the hospital (and have voiced a few myself) but really these are not always correct. I found that the entire staff from cleaning personnel, to kitchen aides, to nursing staff are concerned and caring for the patients and take a very personal interest in their well being. They were so marvelous to me that I can never find the words to say "Thank You" and everyone in this area should be made aware of how lucky we are to have such wonderful people manning this facility. A hospital alone is nothing without quality personnel who really care. So when you see those T-shirts around town saying "Mercy Hospital Cares" believe it. I can honestly say they do.

Dear Editor:

One dollar, three dollars, five dollars, and the price continues to rise as the years go on. Will the price of one gallon of gas be too expensive for a middle class family to buy within the next decade? In certain parts of the United States, the price for a gallon of gas is already over one dollar. It won't be too much longer till the U.S. citizens will be paying more for energy than for entertainment and food together.

What is the answer? Do we need a new source of energy found within our own country or should we stay dependent on foreign countries and pay extravagant prices? There are three types of fossil fuels, oil, coal, and natural gas. Here in the U.S. we have enough coal reserves to last us about 400 to 700 years, if we use it at the capacity that we are using oil now. There happens to be a problem to using coal, it will cause extremely bad environmental conditions. Coal has a high sulfur content and it will pollute the atmosphere. The last type of fossil fuel is natural gas, but the problem with this is that most large reserves are found in regions of the world which are much to hard to get this source of fuel out and get it to the consumer. For instance the Sahara desert in Africa has very large reserves of natural gas.

Five percent or less of all the energy we use is produced by Hydroelectricity, which is waterpower, but that's not the answer to the energy crisis either. Nuclear energy could solve most of our problems, but society is fearful of Nuclear plants. The waste created by these plants takes many years to dissolve, plus there is no place to dispose of this waste for it can and will kill man if it comes in contact. Solar energy sounds to be the most promising to produce, but again it has a loop hole as the rest do. Solar energy will take many years to get set up and start producing it, and we need a new source of energy now.

The U.S. is backed up against a wall, no place or no one to turn to for help. The OPEC countries have us in the palm of their hands, they can raise their prices for a barrel of oil as high as they want and we can't do anything but to continue to buy it.

This country and its ancestors have wasted our energy to the point that there is hardly any left. We have an energy crisis, whether you believe it or not and we need fast answers to get us out of it. Lets conserve and save some energy for our future adults.

CARD OF THANKS

Thanks to Dr. Burkley, Dr. Henig and the Staff at Mercy Hospital for the care and concern during my recent surgery and illness and the confidence they gave me to overcome my handicaps.

Chairman
Named For
Bike-A-Thon

Mrs. James Thompson has agreed to the chairmanship of the St. Jude Children's Research Hospital Bike-A-Thon in Grayling, to raise funds to support the hospital, according to William J. Kirwen, Director of Development at the internationally recognized hospital.

St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which affect our children. St. Jude's is non-sectarian, non-discriminatory and completely free of charge to all patients.

At St. Jude's, scientists and physicians are working side by side seeking not only better means of treatment, but also the cause, cure, and prevention of these terrible killers.

All findings and information gained at St. Jude's are shared freely with doctors and hospitals the world over. Thanks to St. Jude Children's Research Hospital, children who have leukemia, Hodgkins disease, sickle cell anemia, and other child killing diseases now have a better chance to live.

The funds raised in the Bike-A-Thon this spring will assure the continuation of the life giving work at the hospital.

The concern which Mrs. Thompson has for the work being performed at St. Jude's is greatly appreciated, and the children hope that the citizens of Grayling will support the upcoming Bike-A-Thon wholeheartedly.

Grayling Middle School News

March 21
End of the first marking period of the second semester.

March 27
Parent-Teacher conferences will be held at the Grayling Middle School from 1:30 p.m. until 5:30 p.m. Parents are encouraged to attend these very important conferences.

Teachers will be holding the conferences in the privacy of the individual teachers' homerooms. All rooms will be clearly marked and extra chairs will be available for parents that may have to wait to see a particular teacher. Parents may pick up their child's report card in the main hallway of the middle school and then proceed to visit any or all teachers. A letter explaining the conferences was sent home with all middle school students on Thursday, March 20, 1980. Please return the portion that requires the parent's signature stating that you will attend the conferences. This is your opportunity to meet your child's teacher and get acquainted with the principal, Mr. Dale Nicholas, our acting counselor, Mr. Doug Wilson, or any of the staff at the middle school. Hope to see you on Thursday, March 27, 1980.

March 29
The Grayling Middle School Wrestling Team under the supervision of Mr. Bill Bedford will travel to Benzie Central for a wrestling meet. All students that have been practicing for the past month will be given the opportunity to compete in their individual weight bracket. All residents of the area are encouraged to attend any or all of the wrestling meets that are held in Grayling. They are held in the high school gym and dates will appear in the Avalanche when a meet is scheduled in Grayling. Come on out and help support your middle school wrestling team.

Full Family Entertainment Travelogues To View "Fabulous Florida" Thursday Evening

On Thursday evening, March 27 the Crawford AuSable Community School Program will present their next exciting travelogue of the season at the Grayling Holiday Inn. Guest speaker for the evening will be Mr. James Forshee from Ann Arbor who will narrate his colorful film, "Fabulous Florida". Show time has been set at 7:30 p.m. in the Holiday Inn Evergreen Room and tickets will be available at the door. As has been the custom this season, the Holiday Inn will present a specially priced buffet for travelogue goers prior to the show in the Holiday Dining Terrace. Special menu items will include chicken gumbo soup, Red snapper fingers, beer broiled shrimp with rice, broiled catfish, meatball stroganoff, baked potato, mixed vegetables and lime bavarian pie. Special prices for the travelogue buffet have been set at \$5.95 for adults, \$4.00 for students who purchase their tickets at school and \$2.95 for children under twelve and senior citizens.

This Thursday evening you can journey with Mr. Forshee down the narrow streets of historic St. Augustine to the beautiful islands of the Florida Keys. You'll see a wax museum that spans the centuries from Joan of Arc to present time and watch with fascination as porpoises frolic at Marineland. Then turn beachcomber as you stroll along the smooth sand beaches of Daytona where winter worries fade away as you surf and sail in the warm waters of the Atlantic. You'll visit the Kennedy Space Center where the astronauts and the space shuttle are being prepared for launch.

No trip to Florida would be complete without a stop at glamorous Miami Beach, Ft. Lauderdale and Key West where exciting shops await the tourist enroute. You'll see exotic wildlife as you ride an

airboat through the famous Everglades swamp. You'll enjoy colorful parrots at Parrot Jungle and the unusual fish and other underwater creatures at Weeki Wachee. And, your travelogue ticket will include the famous water ski show at Cypress Gardens as well as an opportunity to stroll leisurely throughout the many gardens filled with beautiful flowers. Topping off your visit to Florida will be a trip to fantastic Disney World where many of the famous Disney Characters await your arrival.

Currently the local travelogue series is running behind financially, and at the present time it is a question whether enough tickets will be sold to completely pay for the series. If you are interested in keeping the travelogue series as a part of our community's activities, help support the series with your attendance.

Returns From Navy Exercise

Navy Machinist's Mate 2nd Class Mark D. Kesteloot, son of Albert W. and Mary F. Kesteloot of Grayling, recently returned from a deployment to the Indian Ocean.

He is a crewmember aboard the guided missile destroyer USS Parsons operating from Yokosuka, Japan. While deployed, his ship operated as a unit of the U.S. 7th Fleet. During the five-month cruise, Parsons operated with the Midway Battle Group in the Indian Ocean. They remained in the area to maintain a ready force in support of national objectives until they were relieved by the Coral Sea, Battle Group.

The Parsons is 418 feet long with a crew of 335. She is outfitted with guns, torpedoes and anti-submarine rockets. A 1975 graduate of Grayling High School, Kesteloot joined the Navy in May 1975.

La Leche League Meeting Notice

"The Advantages of Breast-feeding to Mother and Baby" will be the topic for discussion at the April meeting of Roscommon La Leche League. This is the first in a series of four discussion meetings. The meeting will be held on Thursday, April 3 at 7:30 p.m. at 11152 N. Murphy Rd., Roscommon. The meeting discussions include the latest medical research, as well as personal experience.

La Leche League tells a simple story about a simple, natural function. Emphasizing the joys of breastfeeding, it is designed to encourage and inform mothers who desire to nurse their babies.

Expectant mothers are encouraged to attend the series before the baby arrives. Nursing babies are always welcome. For further information, or for breastfeeding help, call Gayle Willett at 275-8385 or Carolyn Crist at 275-8431.

Grayling Township Board

Regular Meeting
March 11, 1980

Members present: Elizabeth Wieland, Evelyn Gardiner, Marvin Hallett

Members absent: Bernard Fowler, Floyd Millikin

Others present: Mary Harland
Meeting was called to order at 7:30 p.m. Motion by Hallett, supported by Gardiner, the minutes of the Regular Meeting of 2-12-80 and the Special Meeting of 3-4-80 be approved as written. All Ayes.

Treasurer's report was given. Motion by Hallett, supported by Wieland, it be accepted. All Ayes.

1. Notice of a Hearing scheduled by the Public Service Commission for the Public Interest Research Group, Attorney General, and Michigan Citizens Lobby was received relative to the Commission undertaking a generic proceeding regarding the establishment and treatment of funding for the decommissioning of nuclear power plants, to include adoption of possible guidelines, rules, and methods for such funding.

2. A News Release was received from the Huron-Manistee National Forests relative to the 1980 Pine River Canoe Regulations.

3. Correspondence from Northeast Michigan Council of Governments was received relative to the 1980 Land and Water Conservation Fund Grants-pre-application deadline.

4. Notice of a Hearing scheduled by the Public Service Commission for Consumers Power Company was received relative to reflecting adjustments for changes in expenses associated with net interchange power in monthly billings.

5. A press release relative to HB 5257 on the deferment of the 1980 Census statistics until the State's 1981 fiscal year was received and reviewed.

6. The 1979 Fire Department Report and 1980-81 proposed budget received from Fire Chief Joe White were reviewed.

7. A request to consider participation in a proposed sub-station for South Branch Fire Department was received. The matter was tabled until additional information is obtained.

8. Upon recommendation of the Planning Commission, Gardiner moved to employ H. Richard Anderson of Marquette, Michigan, as planning consultant in the final draft development of a revised zoning ordinance, and authorize the Supervisor and Treasurer to sign an agreement on the fee schedule as submitted. Motion supported by Hallett. Roll Call: All Ayes. Fowler and Millikin absent.

9. An opinion on section 168.358 of the State Election Law indicated that when the number of registered electors exceeds 3,000 the question of increasing the number of Trustees to four shall be approved at a regular township election or by a majority of the voters attending an annual meeting.

10. A report of Assessing Functions was received, reviewed, and placed on file.

11. A report of the Grayling Recreation Authority having serious financial problems due to poor weather conditions in the early part of the season was received. Various ways of funding are being pursued, as non-profit organizations are not eligible for loans under the Federal dislocation program recently approved.

Motion by Gardiner, supported by Hallett, to approve vouchers 4034 through 4057 in the amount of \$4871.94 as presented. Roll Call: All Ayes. Fowler and Millikin absent.

Motion by Hallett, supported by Gardiner, meeting be adjourned. 8:45 p.m. All Ayes.

Now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on the 21st day of May, 1980 at 10:00 o'clock A.M. said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan that being the building where the Circuit Court for the County of Crawford is held, of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at 10% per cent. per annum and all legal costs, charges and expenses, including the Attorney fees allowed by law, and also any sum or sums including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows:

All that certain piece or parcel of land situate in the City of Grayling, in the County of Crawford and State of Michigan, described as follows, to-wit:

Commencing 80 feet West of the SE corner of Block 8, thence North 90 feet; thence West 36.5 feet; thence South 90 feet; thence East 36.5 feet; being a part of Lots 1 and 2, Block 8, Original Plat of the Village (now City) of Grayling, according to the plat thereof as recorded in liber 1 of plat page 2, Crawford County Records.

The redemption period shall be six months from the date of such sale.

Dated: March 13, 1980.

Notice of Mortgage

Foreclosure Sale

Default having been made in the conditions of a certain mortgage made the 20th day of August, 1975, by Rodney M. Duncley, as mortgagors, to the United States of America, as mortgagee, and recorded on August 21, 1975, in the Office of the Register of Deeds for Crawford County, Michigan in Liber 147 of mortgages on pages 146-149, on which mortgage there is claimed to be due and unpaid at the date of this Notice Twenty-three thousand four hundred eighty-two and 79/100 Dollars (\$23,482.79) principal and Two thousand nine hundred ninety-eight and 42/100 Dollars (\$2,998.42) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default;

NOW, THEREFORE, Notice is hereby Given that on April 16, 1980, at 10 o'clock in the forenoon at the Front Steps (East Side) of the Courthouse in Grayling, Michigan, that being the place for holding the Circuit Court for the County of Crawford, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the land and premises in said mortgage mentioned and described, as follows, to-wit:

That property located in Crawford County, in the State of Michigan, Parcel "E", more particularly described as: Part of the North 671 feet of the Northeast 1/4 of the Northwest 1/4 of Section 16, Town 28 North, Range 3 West, Maple Forest Township, Commencing at the North 1/4 corner of said Section 16, thence North 89 degrees 38 minutes West along the North line of said Section 16 114.46 feet to the Point of Beginning; thence South 0 degrees 19 minutes 28 seconds East 671 feet; thence North 89 degrees 38 minutes West 165 feet to the West 1/8 line of said Section 16, thence North 0 degrees 19 minutes 28 seconds West 671 feet to the North line of said Section 16, thence North 0 degrees 19 minutes 28 seconds West 671 feet to the Point of Beginning. The redemption period will be one month from the time of such sale.

Property may be redeemed by paying the amount of the bid at the foreclosure sale plus 8 1/8% interest and any unpaid encumbrances on the property from date of sale. Dated February 27, 1980. Mr. Edward A. Hoffman, Acting Regional Attorney, United States Department of Agriculture, Room 2920, 230 South Dearborn Street, Chicago, Illinois 60604, Attorney for Mortgagee. For additional information, please contact: UNITED STATES OF AMERICA, acting through Farmers Home Administration, Room 209, 1405 South Harrison Road, East Lansing, Michigan 48823, Mortgagee.

12. Budget Adoption and Millage Election Management Schedule.

Dr. Diedrich presented the tentative 1980-81 Budget Adoption and Millage Election Management Schedule and explained the various timelines for the activities involved.

VI. Personnel

13. Routine Personnel Actions.

It was moved by Pauline Petrosky, seconded by Bernadine Dosch, that all routine personnel actions be confirmed. Motion carried; all aye.

14. CAFT Grievance-Middle School Building Conditions.

Mike Wieland, CAFT Vice-President, presented a grievance which outlined numerous concerns of the Union relative to the physical condition of the Middle School. He further stated that some of the conditions described in the grievance had been corrected. Dr. Diedrich stated that there is no question as to the poor physical condition of the Middle School building and described the steps taken by the Board and administration to correct the situation. Several Board members added their opinions in response to the grievance.

On Advice of the Board's labor relations advisors and the Superintendent, it was moved by Bernadine Dosch, seconded by Pauline Petrosky, that the grievance be rejected as invalid in that the section of the Master Agreement cited was taken out of context. Motion carried; all aye.

It was moved by Wm. Duane Sloan, seconded by Mickey Perez, that because of the concern felt by the Board for the allegations expressed in the grievance, Pauline Petrosky, Mary Allen, and Kathleen Burkley will serve as a subcommittee of the Board to investigate the conditions described and report their findings at the next regularly scheduled meeting. Motion carried; all aye.

X. Miscellaneous

15. District Testing Information.

Miss Chris Smith, Testing Coordinator, presented information relative to the district testing program. She reviewed various tests used in the district, their purposes and when they are administered. She further explained results of the Michigan Educational Assessment Program testing and described several approaches instituted by the district to assist those students experiencing difficulties in mastering the basic skills.

16. Land Transfer Hearings.

Dr. Diedrich presented results of the Land Transfer hearings held on March 5, 1980. The district retained four lots in the Heart Lake area, but lost the other parcel in question. Because of poorly defined boundaries and the critical position of this property in relation to much of the district's attendance area in Otsego County, Dr. Diedrich requested permission from the Board to appeal the decision if the area north of this parcel is found to be within the Crawford AuSable School District.

It was moved by Mickey Perez, seconded by Freddie Allen, to allow Dr. Diedrich to investigate this parcel and pursue the appeal. Motion carried; all aye.

17. Petitions for Board of Education position.

Mr. Paul Lerg announced the availability of petitions for one four-year term on the Board of Education. The Board Election will be held June 9, 1980.

XI. Adjournment

18. There being no further business, it was moved by Bernadine Dosch, seconded by Mary Allen, to adjourn this meeting at 9:16 p.m. Motion carried; all aye.

Approved:
Bernadine A. Dosch, Secretary
Board of Education

CROWN OF THORNS

Barbed wire on battlefield,
Civilization tangled in blood, suffering, death.
Christ sees it from Heaven
And remembers
The crown of thorns!
A Roman soldier's idea of a joke —
Jesus wore it dying for our sins, such as
Barbed wire on battlefield.

Something to go to Church about:
It was God's Son they crowned with barbed wire.
Thorns, that is:
Crowned Him Prince of Peace —
Someone to pray to, believe in, live for
In a world eager for happiness and hope,
Famished for love and deploring at last His
Crown of thorns on battlefield.

Name Cystic Fibrosis Chairmen

The Cystic Fibrosis Foundation today announced the names of local Chairmen in the 1980 "Cyclin" for CF" Bike-a-thon throughout the state of Michigan. Mrs. Darla Moore is chairman for Crawford County.

Bike-a-thons will be held in approximately 360 Michigan communities and 79 counties during the months of April, May and June. An anticipated four to five thousand cyclists will support the Cystic Fibrosis Foundation in their efforts to raise the much needed money to carry on research and conquer CF.

Through the "Cyclin" for CF" Bike-a-thon events, local residents have an excellent opportunity to use their health and energy on behalf of these children with lung diseases.

Support the "Cyclin" for CF" Bike-a-thon in your community!

CARD OF THANKS

We would like to express our gratitude to all our friends who helped during our recent loss.

Special thanks to the staff at Mercy Hospital.

Thanks also to Fr. Thomas Neis and to the ladies from the Frederic and the Parish for the lovely luncheon.

For all of this we are most grateful.
